

**TRAINING COURSE LIST**

List of Training Courses								
No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
1	Secondary School Administration in the 21 <sup>st</sup> Century	اداره المدارس الإعدادية لقرن ٢١	Direction for leaders to build curriculum and assessment programs, establish vision and culture to support change, and implement key systems at the school and district level.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
2	Education Management – Educational Leadership	اداره التعليم- القيادة التربويه	Being an academic leader is simply not enough in today's educational management. Style as well as substance matters. The course will cover theoretical assumptions of management with emphasis on analysis of leadership, leadership styles, self-assessment and articulation of a vision consistent with a well-developed educational philosophy.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
3	School Management	اداره المدرسه	Effective school leaders are able to plan, implement, and evaluate the operations of schools with others in ways that achieve organizational goals and results in the development of safe and productive learning communities. The course will emphasize and demonstrate the knowledge and processes necessary for effective management regarding school, climate, staff development, crisis management, public and media relations, resources, discipline, facilities, classified and certificated personnel, parent/community involvement, health and safety, special programs, and daily and annual scheduling of students and events.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
4	Organizational Management & School Community Collaboration	اداره التنظيميه والتعاون المدرسي والمجتمع	This course will examine the principles and practices of successful school management and the development of a management point of view for leadership and community involvement in the safe and productive operation of school.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
5	Voice, Diversity & Equity in the Multi-Cultural Classroom	العداله والتنوع والفعل في الصف متعدد الثقافات	Focus on education of diverse student populations, with emphasis on history, culture and expectations as they apply to teaching.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
6	Cross Cultural Education	التعليم عبر الثقافات	The class is designed to explain and discuss the most relevant theoretical approaches dealing with cross-cultural, multicultural education. As diverse and conflicting perspectives are examined, students will experience the complexity of views and perceptions dealing as leaders with multicultural populations coexisting in a pluralistic society.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
7	Paraprofessional Training for Students with Special Needs	التدريب المهني للطلاب ذوي الإحتياجات الخاصه	Level 1 Learning Module: Basic knowledge of handicapping conditions; legalities impacting special needs populations; roles and responsibilities; effective communication skills; consideration factors when working with special needs students; getting to know individual students; maintaining confidentiality; and, strategies for interacting with students. Level 2 Learning Module: Ideas for assisting students with learning and communication problems; strategies to interact and motivate students with disabilities; integration of special needs students into general education instructional settings; classroom adaptations, modifications, and accommodations; use of technology in the classroom; helpful resources, websites, and pertinent publications.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	15 Instr. Hours per Module 6 Instr. Hours per Module	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
8	Teacher Preparation for Students with Special Needs	تحضير المعلمين للطلاب ذوي الاحتياجات الخاصة	Level 1 Learning Module: Basic knowledge of handicapping conditions; legalities impacting special needs populations, assessment tools, specialized academic instruction, support services, accommodations and/or modifications needed to access learning, assistive technology, accountability and data collection. Level 2 Learning Module: In-depth knowledge of disability categories involving students who have either mild-to-moderate or moderate-to-severe functioning levels; understanding the dynamics and considerations when addressing the needs of specific disability groups. Level 3 Learning Module: Writing measureable goals and objectives; writing comprehensive student instructional plans; aligning curriculum to common core standards; implementation of effective teaching strategies; differentiated instruction, progress monitoring/use of rubrics to assess student learning. Level 4 Learning Module: Universal design of learning; school-wide positive behavioral intervention and supports; effective disciplinary practices; strategies for school success through organizational skill -building; cultural proficiency and sensitivity; appreciative inquiry – recognizing the best in students	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	15 Instr. Hours per Module 6 Instr. Hours per Module	95 -150 AED per Instr. Hour	Total School Solutions
9	Teacher Preparation for Second Language Learners	تدريب المعلمين للطلاب	Research-based understanding of second language acquisition, including structures, forms and functions of both oral and written language.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
10	Educational Neuroscience	علم الاعصاب التعليمي	Boost student achievement utilizing the latest Neuroscience Research & Instructional Best Practices and examine their connection to internationally benchmarked academic standards. The training will focus on educational neuroscience, best instructional practices including note-taking, vocabulary acquisition, critical thinking, engagement, literacy strategies and writing.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
11	Instructional Leadership	قيادة التعليمية	This session equips educators with the latest in neuroscience research and the implications for teaching and learning; educators will leave with a toolkit of strategies to boost student competence, confidence and comprehension. These strategies will include instructional practices that boost achievement, strategic conversations, digital literacy, citizenship and leadership.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
12	Leadership Development	تنمية المهارات القيادية	This course will identify the principles and best practices followed by successful leaders, let participants do their own skill inventory and help them chart a plan to nurture and enhance their management and leadership potential.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
13	Classroom Management for Improved Student Outcomes	اداره الصفوف لتطوير نتائج الطلاب	This segment will provide strategies to keep students on task (engaged) and academically challenge every student (differentiated learning). It will allow the increase of collaborative learning and greater use of technology. Create positive classroom environment and engaging lesson plan. This course will facilitate the proper use of assessment tools and data analysis. Infusing STEAM and Project Based Learning in lesson design.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
14	Designing a model 21st Century Classroom	تصميم الفصول الدراسية النموذجية للقرن 21	This session will provide an overview of learning beyond classroom walls and demands of "digital natives." Educators will re-visit and compare traditional classrooms and 21st century classrooms which will provide direction on use of technology for improved student outcomes. Provide recommendations for physical lay-out of classrooms that promote open learning environments.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
15	Lesson Design for Global Learners	تصميم الدروس الشاملة للمتعلمين	This course demonstrates the impact of globalization, technology and the emergence of "flat classrooms". Provides implications, challenges and opportunities for educators. Educators will obtain skills, tools, and strategies that can be used proactively to develop innovative and productive curriculum, learning platforms and environs. Designing lessons for the 21st century learner that promote communication, collaboration, creativity and critical thinking. These strategies will provide students with a competitive edge in education.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
16	Teaching English as Second Language	تعليم اللغة الانجليزية كلقه ثانيه	Overview of the role of English as a universally accepted language for communication. Provide skills and tools to support and enhance teacher abilities to be excellent communicators especially in diverse student bodies. Strategies to improve English proficiency and specific language-based tasks. Provide teachers with supportive material and workbooks that are a transferable to and for use in the classroom.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
17	Using Technology to Enhance Student Performance	استخدام التكنولوجيا لتعزيز اداء الطلاب	This session will introduce Bring Your Own Device (BYOD). Demonstrate the impact of ICT/Technology as related to increasing educational, career and learning opportunities. Introduction to commonly used smart devices and apps that can be integrated into learning platforms for enhanced outcomes. Teachers will be walked through on how apps can be prepared for better classroom management, student feedback and lesson follow-up (assessment). Use of such apps in all classrooms/teachers for systematic lesson sharing.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
18	Developing Academic Language Skills through Listening and Speaking	تطوير مهارات اللغة الأكاديمية من خلال التحدث والاستماع	This module is designed to help teachers position themselves as role-models and leaders that gain respect through effective communication, leadership, motivation and empowerment. Teachers challenge and need to evolve and communicate with students in their "language." Introduction to the dynamic learning environment and free-flow of ideas. Technological advances that provide access to education and open social media and communication. Provides direction for improved teacher body language, tone and behavior to make the classroom more positive and conducive.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
19	Evolution from Teacher to Mentor	التطور من معلم الى مرشد	In this session the definition of a mentor will be explored. Strategies and direction will be provided that will empower students to engage, discover, create, connect and collaborate. This session will provide steps that allow teachers to relinquish the formal role of "knowledge provider" to "learning facilitator" or mentor. These steps will increase time that teachers can use to focus on designing exciting projects, lesson plans, using effective classroom and assessment management tools to measure outcomes and providing more effective intervention to improve student outcomes.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
20	Effective Formative and Summative Assessment	التقييم التكويني والتلخيصي الفعال	A blueprint for developing a range of formal and informal assessment procedures conducted by teachers during the learning process to modify teaching and learning activities to improve student performance.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
21	Developing Strong 21st Century Pedagogy	تطوير نظام قومي لعلم التربية للقرن ٢١	What is 21st century pedagogy? This course will provide an overview of why schools and teachers cannot compromise on adopting innovative and engaging pedagogical strategies that support and develop 21st century global learners. Focus on strategies to reduce teacher led lectures and dedicate more time and resources to student centric discussions and projects.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
22	Exciting Classrooms and Enriched Learning	لصفوف الجذابه مع التعليم المفقوى	This course will look at the background on traditional teacher roles, duties and instruction methods and whether they still work in today's rapidly evolving classroom. There will be an introduction to the need for teachers to be "fearless" and think outside the box. Strategies and workbooks to design exciting and engaging lesson plan will be provided. Extended classrooms - increased PBL with collaboration outside the classroom.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
23	Developing a Proactive Intervention Network	تطوير شبكة مبادره الوساطه	This session exposes participants to building and maintaining systems of support, specific interventions for academic, behavior, and social/emotional needs. It will also provide participants with resources that can be used at sites and classrooms. Educators will explore the use of assessment tools and universal screeners to identify the needs of their students and meet them where they are. Developing and learning to use data collection and analysis systems to assess, measure and monitor student progress and make sure students get targeted support.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed:7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
24	School Leadership and Student Achievement	تقاده المدرسيه والتحصيل العلمي للطلاب	The quality of leadership is second only to the quality of classroom instruction in determining student achievement. Strategies to develop leadership skills: how leadership influences learning, three sets of linkages between school leadership and student outcomes, setting direction, developing people, and redesigning the organization.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed:7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
25	Making Project-based Learning a Success	انجاح التعلم القائم على المشاريع	In this course educators will learn the definition and value of Project Based Learning (PBL). Project Based Learning is an intentional blend of best practices for the business world as well as education. Oftentimes STEAM education comes short of PBL, stopping with merely hands-on or problem-based learning. Project Based learning combines the best of project-management, design-thinking, growth mindset, makerspaces, and technology with the best learning, design, assessment, and management practices in order to provide the most meaningful, relevant, and forward-thinking STEAM education possible.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
26	Designing an Education Eco-System	تطوير تعليم النظام البيئي	This session is for community partners and school leaders working together to identify resources and opportunities within the community that can be aligned to work towards building an engaging ecosystem to better the community at large.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
27	Effective Instruction in Secondary Mathematics	التعليمات الفعاله في الثانويه في الرياضيات	Special attention will be paid to Modeling, Transformational Geometry, and Probability and Statistics with respect to teachers' course specific needs. The presenter will assume that teachers are well aware of Common Core and are ready to add to their repertory of Depth of Knowledge levels two and three strategies.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
28	Effective Instruction in Elementary Mathematics with English Language Learners	التعليمات الفعالة في الابتدائية في الرياضيات لمتعلمين اللغة الانجليزية	Teaching complicated mathematical concepts in student's native language is hard enough; it becomes a greater challenge when the instruction of mathematics is required to be delivered a language foreign to the student and in which she has not gained mastery yet. Our program uniquely developed for the teachers, who teach mathematics to English Language Learners, equips them with skills and techniques to overcome the language barrier and make learning math concepts fun much easier and a lot more fun.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
29	Effective Instruction in Secondary Science	التعليمات الفعالة في الثانوية في العلوم	This training focuses on literacy skills, reading and writing with an emphasis on critical thinking, rather than a list of facts. Students learn to draw the central idea from the written text and follow experimental procedures, focus on understanding the meaning of terms, and use multiple sources to evaluate a claim, form a hypothesis and synthesize into a more complete understanding.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
30	Effective Instruction in Secondary English	التعليمات الفعالة في الثانوية في اللغة الانجليزية	This course offers an opportunity to learn instructional strategies you can implement immediately. We will look at text types (fiction, informational/literary non-fiction, and visual texts) text complexity, close reading and annotation strategies, and text-dependent questions.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
31	Effective Instruction in Secondary Social Science	التعليمات الفعالة في الثانوية العلوم الاجتماعيه	Learn about analysis tools for primary and secondary sources and ways to easily implement them into secondary World History and Social Science classes. This presentation will discuss questioning strategies, thesis writing, document analysis, author's point of view, and comparison skills. Take away strategies that will make teaching tomorrow easier.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
32	Science, Technology, Engineering & Mathematics (STEM) Teacher Training	تأهيل المعلمين للعلوم والتكنولوجيا والرياضيات والهندسة (STEM)	Strategies teachers need to develop in order to succeed in a STEM school where the focus is on learning through an inquiry based, hands-on, investigative approach which integrates science, technology, engineering, and math in an effort to meet the needs of the changing world.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
33	Gifted and Talented Education Teacher Training	تدريب وتأهيل المعلمين للطلاب الموهوبين والمتفوقين	Specific strategies to engage and challenge students who have been identified as being gifted. Ideas for core subjects: mathematics, language arts, science and social science along with the visual arts will be presented.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
34	Educational Technology	التقنية التعليمية	Effective use of technology frees students and teachers from a fact-based approach to learning and allows for critical thinking, problem solving and decisions regarding the authenticity of primary sources. Techniques for locating information and creating finished products will be presented.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

**TRAINING COURSE LIST**

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
35	Autism and Education	مرض الاوتيزية والتعليم	Students identified with autism require special assistance with social and academic skills, along with training to regulate their behavior, in order to succeed in school. This session presents strategies for teachers to provide effective support for students with autism.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
36	Bullying Prevention	التخلص ومنع التسلبط والبلطجة	Preventing bullying requires a school-wide, intentional program to promote student awareness of the characteristics of bullying along with steps students can take to stop it. This session describes how educators can create a school climate that promotes considerate behavior among students and encourages students to intervene when necessary.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
37	International Education Leadership	القيادة في التعليم الدولي	Adjusting to changing environment has its own challenge but there is added level of difficulty when managers and administrators are expected to perform in a entirely different location in the international market with different culture, language, norms and practices. This course is designed to assist those educational leaders who have opted to accept the challenge of making a mid-career move to a new country.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
38	Creating Effective Intervention Systems	خلق نظام للتدخل الفعال	It is essential that teachers and administrators identify essential standards and then create an assessment system to measure student understanding of those standards. Once the standards that students have not mastered are identified, then effective intervention systems, with students grouped by ability, must be implemented to provide the targeted instruction students require. Strategies for designing and implementing these intervention systems will be presented.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
39	Smaller Learning Communities- using them effectively to improve learning and teaching	استخدام مجتمعات التعلم المصغرة بشكل فعال للتطور	Steps for schools to build a culture of collaboration among grade level teachers at the elementary level, and among subject matter teachers at the secondary level, will be presented. Using student performance on school-wide assessments as the base, strategies to engage teachers in a shared effort to examine teaching approaches and improve the learning experience for students will be demonstrated.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
40	Effective Classroom Management and Discipline	الاداره الصفية الفعالة للانضباط	Teachers need to communicate clearly to students what behavior is expected in the classroom to foster a positive learning environment. And, students need to know the consequences for being disruptive. This session presents specific techniques to create and maintain a consistent system that students understand and accept.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
41	Master Scheduling	القاتمه (الجدول) الرئيسي	Secondary schools require schedules that enable students to take all the classes they need to progress toward graduation in a timely manner. Strategies for setting the schedule and taking into consideration the many factors that influence these decisions, will be presented by veteran presenters who have mastered the technique over a period of many years.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
42	Preparing Your School for the Common Core-A Principal's Approach	تحضير المدرسين لإشراف المدير للأسس المشتركة (common core) للتعليم	An effective school-wide approach to Common Core should embrace established foundations and then extend into new areas. Still key are aligned goals and objectives, focus on effective leaders, instructional norms, emphasis on English Learners, quality assessments, response to intervention and professional learning communities. Specific strategies for administrators to use with teachers to encourage Depth of Knowledge level two and three strategies in the classroom will be presented.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
43	Countdown to the Common Core: Building a Curriculum and Assessment Program for Systemic Improvement	العد التنازلي للمنهاج الجديد الأسس المشتركة ، وبناء منهاج دراسي وبرنامج تقييم لتحسين النظامية	Emphasis on developing and communicating a strategic plan for implementation including six key structures: Establish essential content standards; develop common pacing guides; create summative assessments; implement an assessment management system; include teacher collaboration time in the schedule and create a content area communications system.	Current and aspiring Principals, Vice Principals, Directors, Deans	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 7.5 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
44	Common Core for Special Education	لواجد المنهاج للتعليم الخاص	Literature on expectations suggests students learn what we expect them to learn. Some students, with and without disabilities, may not achieve to the levels we hope even after high quality instruction. But we have no way to predict which ones so we have to teach them ALL well.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
45	Using the Common Core Standards to Improve Learning in the Science Classroom	استخدام الأسس المشتركة ( common core ) لتطوير الفصول الدراسية للعلوم	Due to the decreased need for memorizing facts, the Common Core Standards focus on literacy skills, reading and writing with an emphasis on critical thinking, rather than a list of facts. Students learn to draw the central idea from the written text and follow experimental procedures, focus on understanding the meaning of terms, and use multiple sources to evaluate a claim, form a hypothesis and synthesize into a more complete understanding.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
46	Common Core K-6: Focus on Mathematics	وجود الأسس المشتركة من الابتدائية (k-6) بالتركيز على مادة الرياضيات	For over a decade, research studies of mathematics education in high-performing countries have pointed to the conclusion that the mathematics curriculum must become substantially more focused and coherent in order to improve mathematics achievement.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
47	Common Core Strategies for Secondary English Classrooms	استراتيجيات واستخدام الأسس المشتركة للصفوف الثانوية في اللغة الإنجليزية	Improve your knowledge of Common Core Standards and the pedagogical shifts they necessitate in your secondary English Language Arts Classroom. Learn instructional strategies you can implement immediately. We will look at text types (fiction, informational/literary non-fiction, and visual texts) text complexity, close reading and annotation strategies, and text-dependent questions.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions

TRAINING COURSE LIST

No	Course Name (English)	Course Name (Arabic)	Course Description	Target Audience	Course Outcome	Duration	Course Fees	Course certifying body (if any)
48	Common Core Strategies for Secondary History Classrooms	استراتيجيه واستخدام الأسس المشتركة للصفوف الثانوية في مادة التاريخ	improve your knowledge of the Common Core Standards and increase your ability to teach them in your history/social science class. Discover what you need to do to better support the teachers in your school or district who are beginning this transition. Learn about analysis tools for primary and secondary sources and ways to easily implement them into secondary World History and US History classes. This presentation will discuss questioning strategies, thesis writing, document analysis, author's point of view, and comparison skills. Take away strategies that will make teaching tomorrow easier.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
49	Common Core Strategies for the Secondary Mathematics	استراتيجيه واستخدام الأسس المشتركة: التعليمات الفعالة في الثانوية في الرياضيات	Teachers will learn about the Common Core State Standards for Math (CCSS-M) and the changes they necessitate in the classroom. We will examine both the Standards for Mathematical Practice and the Standards for Mathematical Content and explore resources available for putting these new standards into practice. Special attention will be paid to Modeling, Transformational Geometry, and Probability and Statistics with respect to teachers' course specific needs. The presenter will assume that teachers are well aware of Common Core and are ready to add to their repertory of Depth of Knowledge levels two and three strategies.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
50	Formative Assessment	التقييم التكويني المشكل	A blueprint for developing a range of formal and informal assessment procedures conducted by teachers during the learning process to modify teaching and learning activities to improve student performance.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
51	Differentiation of Curriculum	التمايز في المنهاج الدراسي	Not all students learn at the same pace. Also, it is not economically feasible to provide individualized instruction for every student in a school. Learning how to differentiate curriculum and instruction based on smaller groups of students within a classroom can close the gap between being successful and being left behind for the students.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
52	Improving Instruction in Reading Comprehension and Writing in Early Grades	تحسين تعليم القراءة، الإصتوعاب، والكتابة في السنين الأولى في المدرسة	Designed to address reading comprehension and writing using the workshop instructional model. Demonstrate metacognitive strategies to teach learners how to understand what they are reading. Guided Language Design to foster understanding for English Learners will also be presented.	Teachers, Administrators, Educators, Support Staff	Certificate of Completion	Expanded: 15 Instr. Hours Condensed: 6 Instr. hours	95 -150 AED per Instr. Hour	Total School Solutions
